Fundraising Guidelines

Fundraising for Cash for Kids must be in accordance with the charity's fundraising guidelines, and it is your responsibility to ensure you fully comply with the following;

- I. All fundraising activities undertaken as part of any Cash for Kids campaign must be legal. In particular, please ensure you refrain from any undue pressure on individuals to donate, especially if they have told you that they do not wish to make a donation.
- II. This may include, but not be limited to, licences from local authorities in respect of street collections and the permission of the owner of any private property on which the fundraising is conducted.
- III. House collections, door to door or in pubs must have a permit issued by the local authority and there are rules that govern this activity. Contact us for more information.
- IV. Fundraisers are not permitted to do anything which puts either themselves or anyone else in danger, or which does, or may, damage the reputation of Cash for Kids, and should consider putting in place appropriate insurance. Please note that no insurance cover is provided by Bauer Radio Limited or Cash for Kids.
- V. Fundraisers should not leave any promotional literature on vehicle windscreens or trespass on private property.
- VI. All money submitted by fundraisers will be donated to Cash for Kids and is non-refundable.

Do's and Don'ts

Do approach companies/organisations to donate products that you can raffle off etc.

Do keep in mind that we are a children's charity when planning ways to fundraise, so try and stay away from events with adult themes. Please call us for clarification if unsure.

If you want to collect in public places then please remember if you are collecting at a shopping mall, supermarket etc. then you will need the owner's permission. You cannot do a street collection without a license from the local authority.

We are happy for you to use the Cash for Kids logo online or in any promotional materials but there are some guidelines. Please contact us for details.

Do encourage anyone who is a UK Taxpayer and donates on your page to include Gift Aid as this will benefit the charity with no additional cost to you or your supporters. We can claim 25p from HMRC for every £1 donated.

If you have any questions that are not covered in the above then please call your local Cash for Kids team.
